

PRODUCT DATA SHEET

Product	Quick Drying Anti-Condensation Paint
Type	Formulated with a non-yellowing, acrylic emulsion and high quality white pigment, (titanium dioxide) to produce a brilliant white thermal insulation layer to reduce condensation under damp or very humid conditions indoors.
Intended Use	For use on interior walls and ceilings, primarily in kitchens and bathrooms.
Special Features	Non-yellowing. Quick drying. Low odour. Clean brushes in water.
Preparation	The surface must be clean, smooth, sound, dry and free from wax, dust and contaminates. If the surface is newly plastered, allow 2 weeks to dry. If porous, apply 1 coat of Rustin's Quick Dry White Primer/Undercoat and allow to dry before applying the anti-condensation paint.
Application	Forms a soft crust on storage which must be well stirred into the body of the paint before use. Apply liberally and evenly with a synthetic fibre brush.
Coats	1 or 2 coats as required.
Drying Time	Touch dry within 30 minutes, depending on temperature and humidity.
Re-coating Time	Allow 4 hours between coats, depending on temperature and humidity.
Application Temp.	Ideally 15-25°C. Do not use below 10°C or in conditions of high humidity.
Coverage	Approximately 7 sq. metres/litre per coat.
Maintenance	Clean painted surfaces with a mild detergent solution.
Compatibility	Can be applied over Rustin's Quick Drying Primer & Undercoat and Rustin's White Undercoat . Emulsion paint or wallpaper may be applied over Rustins Quick Drying Anti-Condensation Paint .
Settlement	STIR WELL BEFORE USE.
Shelf-life/Storage	Many years if stored in original tightly closed container in normal conditions. Do not store below 5°C. Protect from frost.
Hazards	Non-flammable. Flash point Nil. Avoid contact with eyes and skin. In case of contact with eyes, rinse immediately with plenty of water and seek medical attention. After contact with skin, wash immediately with plenty of soap and water or a proprietary skin cleanser. Keep out of reach of children. A full Safety Data Sheet is available upon request or on www.rustins.co.uk
Clean-Up	Clean brushes and hands immediately after use with water. If dried on, clean equipment and brushes with Rustins Brush Restorer .
Sizes	500ml 1L
