

# Rustins

# Undercoat

For use on primed or previously painted wood and metal

**Dark Grey**

For indoor & outdoor use

## STIR WELL BEFORE USE

and ensure any sediment is mixed-in.

**Rustins Dark Grey Undercoat is a high quality oil based undercoat, suitable for all interior and exterior wood and metal.**

## Preparation

**Preparation:** The surface must be clean and free from dust and grease. **Bare wood:** Seal knots with Rustins Knotting, then apply a Wood Primer.

**Bare metal surfaces:** Prime with Rustins Red Oxide Metal Primer, treat rust before priming with Rustins Rust Remover. Existing paint not being removed should be cleaned with white spirit, detergent or sugar soap then sanded lightly to provide a key. If the paint is in bad condition or flaking, remove with Strypit Paint and Varnish Stripper.

## Application

Stir well before use to ensure any sediment is mixed-in. Using a brush, apply evenly. One coat is usually sufficient, two coats may be required. Sand lightly between coats if necessary.

## Re-coating Time

Allow 18-24 hours depending on the temperature and humidity before applying a topcoat.

## Coverage

This tin will cover approximately 7 sq.m in one

coat depending on the absorbency of the surface.

## Cleaning

Remove excess product from brushes before cleaning whilst wet with white spirit or Rustins Brush Cleaner. Hard brushes can be cleaned with Rustins Brush Restorer.

## Disposal (pollution prevention)

Some local authorities have special facilities for disposal of waste paints/varnishes /coatings. Do not empty product into drains or watercourses.

## Storage

Store in a cool dry place with the lid tightly closed.

## HEALTH AND SAFETY

Contains methyl ethyl ketoxime. May produce an allergic reaction. Flammable liquid and vapour. May cause drowsiness or dizziness. Use only outdoors or in a well-ventilated area. Wear eye protection.

IF ON SKIN (or hair): Remove immediately all contaminated clothing. Rinse skin with water. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTRE or doctor if you feel unwell. In case of fire: Use carbon dioxide for extinction.
