PRODUCT DATA SHEET

Product	Liquid Wax
Type	Wax emulsion containing beeswax and, for improved hardness, carnauba wax.
Intended Use	Ideal for use on new and old furniture.
Special Features	Non- flammable and low hazard
Preparation	For best results the wax should be applied to clean surfaces. Previously polishes should be removed with Rustins Surface Cleaner .
Application	Apply the wax with a clean soft cloth or duster, rubbing evenly over the surface. Leave for a few minutes then polish off, with moderate pressure, using a soft clean cloth or duster.
Coats	One application initially and then further coats when required.
Drying Time	A few minutes depending on temperature and humidity
Re-coating Time	Once dry.
Application Temp.	Ideally 10-25°C.
Coverage	N/A
Maintenance	Re-apply as required.
Compatibility	This product is not suitable for use on bare wood but may be applied over wood that has been treated with Rustins Sanding Sealer, Danish Oil, Teak Oil, or French Polish .
Settlement	SHAKE WELL BEFORE USE
Shelf-life/Storage	The shelf life of the product in an airtight container is a very long period of time. Store in a cool dry place
Hazards	Low hazard. Keep out of reach of children. A full Safety Data Sheet is available upon request.
Clean-Up	Wash hands after use in warm soapy water.
Sizes	125ml 250 ml
