PRODUCT DATA SHEET

Product	Radiator Enamel
Type	Available in Gloss and Satin finish. Formulated with a non-yellowing, heat-resistant alkyd.
Intended Use	On all central heating, hot water radiators, but not oil filled radiators.
Special Features	High gloss non-yellowing white paint. Also suitable for use on wood.
Preparation	The surface must be clean, smooth, sound, dry, free from wax, dust and contaminates. If the radiator is new and factory primed, apply 1 coat of Rustins White Oil-based Undercoat before applying the radiator paint. Radiators stripped to bare metal should be given one coat of Rustin's Red Oxide Metal Primer and one coat of oil based white undercoat or Rustin's Quick Dry White Primer/Undercoat . If oil-based undercoat is used leave for 24 hours.
Application	Use a good quality brush and apply evenly to cold radiators.
Coats	1 coat is usually sufficient. If a second coat is necessary, leave first coat for 24 hours or turn on full heat for 4 hours once touch dry.
Drying Time	4-8 hours depending on temperature and humidity.
Re-coating Time	24 hours, or 4 hours if radiator is left on full heat.
Application Temp.	Ideally 15-25°C. Do not use below 5°C, or in conditions of high humidity.
Coverage	Approx. 3.25 sq. metres or 35 sq. ft per 250ml tin.
Maintenance	The surface may be cleaned with a mild detergent solution or White Spirit as necessary. Worn areas may be re-coated once cleaned and lightly sanded to provide a key.
Compatibility	Do not apply over emulsion paint or directly to factory primed radiators.
Settlement	STIR VERY WELL BEFORE USE.
Shelf-life/Storage	Many years if stored in original tightly closed container in cool dry conditions.
Hazards	Flammable. Keep out of reach of children. Use only in well ventilated areas. Keep away from sources of ignition – no smoking. Avoid contact with skin and eyes. After contact with skin, wash immediately with plenty of soap and water or a proprietary skin cleanser. Do not use solvent or White Spirit. A full Safety Data Sheet is available upon request or on www.rustins.co.uk
Clean-Up	Clean brushes whilst wet with White Spirit or Rustin's Brush Cleaner . Remove excess product from brushes before cleaning. Hard brushes can be cleaned with Rustin's Brush Restorer .
Sizes	250ml 500ml
