# rust remover

Wipe surface free from grease and remove loose rust with a wire brush, scraper or Rustins Steel Wool. Old or flaking paint which may be hiding rust, should be removed with Rustins Strypit Paint & Varnish Stripper.

Apply Rust Remover liberally with a brush and leave until the rust has been dissolved or until dry. (A colour change from brown to grey will normally occur).

If rust is thick a second application may be required. Small items may be dipped. Before re-painting wipe with methylated spirits.

Clean brushes with water.

## HEALTH & SAFETY
