TECHNICAL DATA SHEET

Antiquax Quick Polish

QP250

Type	A fast-acting silicone-based cleaner polish designed for modern functional furniture.
Intended Use	For use on laminates and other synthetic and sealed furniture. This product may also be used on reflective, metallic surfaces; including stainless steel, aluminium and chromium finishes. Protect fabric and carpets from overspray.
Special Features	Quick and easy to use. Removes all domestic contamination including dust, grime, nicotine, smears and fingerprints. Pleasant fragrance. Leaves a smear-free, natural sheen to furniture.
Preparation	N/A
Application	Shake well before use. Spray evenly over surface from 20 -30 cms. Wipe over surface with a soft clean cloth. Polish with a second clean dry soft cloth, and buff until dry.
Coats	One application should be sufficient.
Drying Time	Spray on and immediately wipe off.
Re-coating Time	A few minutes if required.
Application Temp.	Ideally 15-25°C.
Coverage	N/A
Maintenance	Re-apply as necessary.
Compatibility	Do not use on glass or waxed furniture where surface softening may occur.
Settlement	Shake well before use
Shelf-life/Storage	A very long time if stored in original sealed container in a cool dry place.
Hazards	Extremely flammable. Irritating to eyes. Vapours may cause drowsiness. Keep away from children. Keep away from all sources of ignition. No smoking. A full Health & Safety Data Sheet is available on request or from www.antiquax.co.uk
Clean-Up	Hands and application cloth may be cleaned in warm soapy water.
Sizes	250 ml aerosols
