HIGH PERFORMANCE

# WOOD GLUE

Fast drying for all woods  
Dries clear  
D3 water resistant  
For interior & exterior use

A general purpose, water resistant wood glue that is easily applied. Meets water resistance requirements of BS EN 204 to durability category D3. High tensile strength. Conforms to BS 4071 creep test in respect of bond strength resistance to sustained loads.

Suitable for use with all woods, wood veneers, mouldings and high pressure decorative laminates, i.e. Formica. Moisture content of wood should be uniform and not exceed 12%.

#### INSTRUCTIONS

Ensure surfaces are clean, dry and free of loose material. Apply adhesive by brush, roller or serrated glue spreader to one surface only. Clamp or press surfaces together within 15 minutes. Test piece is always advisable before use.

**ALWAYS RE-SEAL THE BOTTLE AFTER USE.**

Store the adhesive in a dry area away from heat or cold.

#### HEALTH & SAFETY

**P102: Keep out of reach of children.**

**P262: Do not get in eyes, on skin, or on clothing.**

**P280: Wear protective gloves and eye protection.**

**P301+312: IF SWALLOWED: Call a POISON CENTRE/doctor/ if you feel unwell.**

**P302+350: IF ON SKIN: Gently wash with plenty of soap and water.**

**P305+351+338: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.**
