## Quick Dry Matt Emulsion Paint

### Magnolia

British Standard  
**BS08B15**

For indoor use

#### STIR WELL BEFORE USE

Rustins Quick Dry Matt Emulsion Paint is a quick drying high performance paint that dries to a smooth matt finish. For interior use on areas they have been exposed to wear and tear that need touching up.

#### Preparation

The surface must be clean, dry and free from dust and any loose paint, dirt, fungal growth or solid matter likely to interfere with the adhesion of the paint. If the surface has been previously painted then apply to a small area to ensure that it is compatible and the colour matches. Do not apply to damp areas. Sources of damp should be eliminated before applying the paint.

#### Application

STIR WELL BEFORE USE. Do not thin the product. Apply evenly by brush or roller. Two coats should be applied allowing 2-3 hours between coats in warm dry conditions. Cold damp conditions will significantly extend the drying times. Do not use below 10°C.

#### Re-coating Time

The paint will be touch dry in approximately 30 minutes depending on temperature and humidity and can be re-coated after 2-3 hours.

#### Coverage

14 square metres per litre per coat depending on the absorbency and texture of the surface being treated.

#### Cleaning

Remove as much paint as possible and return to this container. Brushes should then be cleaned immediately with water. If the brushes become hard, they may be cleaned with Rustins Brush Restorer or Rustins Cellulose Thinners.

#### Disposal (pollution prevention)

Some local authorities have special facilities for disposal of waste paints/varnishes /coatings. Do not empty product into drains or watercourses.

#### Storage

Store in a cool dry place with the lid tightly closed. Protect from frost.

#### HEALTH AND SAFETY

Contains a mixture of: 5-chloro-2-methyl-2h-isothiazol-3-one [ec no 247-500-7] and 2-methyl-2h-isothiazol-3-o. May produce an allergic reaction.

Keep out of reach of children.

Do not get in eyes, on skin, or on clothing. Wear protective gloves and eye protection.

IF SWALLOWED: Call a POISON CENTRE/doctor if you feel unwell. IF ON SKIN: Wash with plenty of water.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
