

WUDCARE

5 minute **FAST GRAB** PU WOOD ADHESIVE

Unbeatable strength

D3 & D4 En 204:2001

Can be used on damp wood

■ Initial grab strength in 5 minutes. Remove clamps in 60 minutes

■ Structural strength in 24 hours

■ Can be immersed fully in water

■ Use on damp wood, hardwoods, concrete and metal

■ Expands slightly to increase bite strength

■ Super economy. A little goes a long way

A strong polyurethane glue that has a fast has an initial grab time of 5 to 10 minutes and a firm bond in 4 hours and will expand slightly to increase bond strength. Full cure will require 24 hours. For interior and exterior use.

After setting, the bond is very stable resisting 'creep', immersion in salt water and exposure to the elements. Use on damp wood, hardwoods, concrete, metal, brick, tarmac, MDF, polystyrene, cork and fibreglass.

INSTRUCTIONS

Ensure that both surfaces are clean. Apply a bead of adhesive to one surface only. Align substrates and clamp for 60 minutes minimum. The Fast Grab will foam if over applied, trim the foam after fully curing with care. Do not over apply adhesive. Fast Grab is a moisture curing product. Dry substrates may need mist spraying. Test piece is always advisable before use.

ALWAYS RE-SEAL THE BOTTLE AFTER USE.

Store the adhesive in a dry area away from heat or cold.

Contains Diisocyanates.

DANGER

H315 Causes skin irritation.

H332 Harmful if inhaled.

H317 May cause an allergic skin reaction.

H319 Causes serious eye irritation.

H334 May cause allergy or asthma symptoms or breathing difficulties if inhaled.

H335 May cause respiratory irritation.

H351 Suspected of causing cancer.

H373 May cause damage to organs through prolonged or repeated exposure.

EUH204 Contains isocyanates. May produce an allergic reaction.

P260 Do not breathe dust/fumes/gas/mist/vapour/spray.

P285 In case of inadequate ventilation wear respiratory protection.

P281 Use personal protective equipment as required.

P280 Wear protective gloves/protective clothing/eye protection/face protection.

P305+351+338 IF IN EYES Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing.
