 H335 May Cause respiratory irritation
 H373 May cause damage to organs through prolonged or repeated exposure
 H351 Suspected cause of cancer
 EUH204 Contains isocyanates. May produce an allergic reaction

SIZE:
500g

INSTRUCTIONS

Ensure that both surfaces are clean. Apply a bead of adhesive to one surface only. Align Substrates and clamp for 60 minutes minimum. The fast grab will foam if over applied, trim the foam after fully curing with care. Do not over apply adhesive. Moisture curing product. Dry substrates may need mist spraying. Test piece always advisable before use.

ALWAYS RE-SEAL THE BOTTLE AFTER USE.

Store the adhesive in a dry area away from the heat or the cold.

Contains: Diisocyanates
