

**Rustins Drive & Patio Cleaner is based on a blend of special cleaning agents to remove dirt, algae, mildew and grease. It is formulated to clean old and new driveways, pathways and any other exterior stonework.**

## Preparation

All loose dirt, grease, mildew and mould should be removed using a stiff garden broom.

## Application

Shake well before use. Do not dilute. Apply Rustins Drive & Patio Cleaner with a watering can, sprayer or a brush. After 10 minutes, the surface should be scrubbed with a stiff garden broom. After a further 30 minutes, rinse the surface with clean water using a stiff broom or garden hose. Repeat the process as necessary until the patio is clean.

## Drying time

Allow the surface to dry thoroughly before applying Rustins Drive & Patio Sealer.

## Coverage

The contents of this container will clean 20-25 square metres.

## Cleaning

All equipment should be cleaned with plenty of water.

## Maintenance

Repeat the application of Rustins Drive & Patio Cleaner when necessary.

## Health & Safety

Keep out of reach of children.

Do not get in eyes, on skin, or on clothing.

Wear protective gloves/protective clothing/eye protection/face protection.

IF SWALLOWED: Call a POISON CENTRE or doctor if you feel unwell.

IF ON SKIN: Wash with plenty of soap and water.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
