PRODUCT DATA SHEET

Product	Rustins Sugar Soap Powder Crystals (SUGS500C)
Type	The concentrated active component of phosphate-based surface cleaner.
Intended Use	For cleaning and preparing the surface prior repainting. Cuts through grease and dirt leaving the surface clean so an applied coat of paint will adhere.
Special Features	Non-caustic, non-hazardous. Excellent for general household cleaning. It is suitable for use on paintwork, Vinyl wall covering and enamel surfaces. Removes grease, dirt and nicotine stains.
Preparation	Wear rubber gloves and eye protection when using Rustins Sugar Soap Powder Crystals. Protect floor coverings and fabrics from spillage. FOR SURFACE PREPARATION::Dissolve 225 grams (1/2 of container) of Rustins Sugar Soap Powder Crystals into 5 litres of warm water and stir until fully incorporated. FOR GENERAL CLEANING: Dissolve 50 grams (4 tablespoons) of Rustins Sugar Soap Powder Crystals into 2.5 litres of warm water and stir until fully incorporated. :
Application	Apply the sugar soap solution using a sponge or cloth working from top to bottom then rinse off with clean water and allow to dry thoroughly. Mop up any spillages immediately with a cloth.
Coats	Repeat until surface is clean.
Drying Time	N/A
Re-coating Time	Once the water has evaporated the surface will be ready for painting.
Application Temp.	Ideally 15-20 C.
Coverage	450 g of the concentrate will provide 10 Litres of solution suitable for cleaning surfaces.
Maintenance	Repeat as necessary
Compatibility	Unsuitable for use on textiles, fabrics or soft furnishings, which need to be covered before working in that area. Wipe up spillages immediately otherwise spotting may occur. If in doubt about surface comp ability on an inconspicuous area first.
Settlement	N/A.
Shelf-life/Storage	A very long time if stored in a cool dry place with the lid firmly secured.
Hazards	Non-flammable. May be harmful if swallowed. Causes serious eye irritation. Wash hands thoroughly after handling. Wear eye protection, protective clothing and protective gloves. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists, seek medical advice/attention Contains <5% anionic surfactant. Keep out of reach of children.
