

SPIDER STOPPER

Just spray to keep the spiders away

Harmless to spiders and other animals

Made from natural extracts to create
a scented barrier to keep spiders away

**Keep spiders
at bay with
Spider Stopper!**

The spray contains natural
extracts of peppermint and cloves to
discourage spiders from entering your
house - a traditional solution updated for
modern use.

HOW TO USE: Spray around the frames of your doors, windows
and any other area where spiders may enter your home. Reapply
every 2 to 3 weeks to keep the scent barrier active, and immediately
after cleaning any treated areas. The fresh scent is harmless to
spiders and people.

HEALTH & SAFETY: WARNING Causes skin irritation. May cause an allergic skin
reaction. Causes serious eye irritation. Wash hands, forearms and face
thoroughly after handling. IF ON SKIN: Wash with plenty of soap
and water. IF IN EYES: Rinse cautiously with water for several
minutes. Remove contact lenses, if present and easy to do.
Continue rinsing. If skin irritation or rash occurs: Get medical
advice/attention. If eye irritation persists: Get medical advice/attention.
Dispose of contents and container to hazardous or special waste collection point, in
accordance with local, regional, national and/or international regulation.

Keep out of reach of children.
