PRODUCT DATA SHEET

Product	Flue Free Chimney Cleaner
Type	Granular deposit conditioner.
Intended Use	Flue Free helps to maintain clean chimneys for maximum efficiency, lower fuel consumption and reduces the risk of chimney fires.
Special Features	Flue Free will lessen the risk of chimney fires, as it works against the build-up of creosote.
Preparation	Remove excess ashes or cinders and ensure the fire is hot enough to burn the powder on contact.
Application	Sprinkle two scoops onto a hot but low fire (the effectiveness drops when applied to a roaring fire). A 25ml scoop is included inside the tub.
Coats	Two scoops.
Drying Time	Allow up to one hour for the powder to burn fully.
Re-coating Time	N/A
Application Temp.	Hot but low rising fire.
Coverage	N/A
Maintenance	Under 75,000 BTU - 2 tablespoons twice weekly 8. 75 – 150,000 BTU - 2 tablespoons four times weekly 9. Over 150,000 BTU - 2 tablespoons daily.
Compatibility	Suitable for all flues, including those lined with stainless steel.
Settlement	N/A
Shelf-life/Storage	Keep sealed in original tub and store in a cool, dry environment.
Hazards	Irritant: irritating to eyes and skin. Keep out of reach of children.
Clean-Up	N/A
Sizes	750g Tub.
