## PRODUCT DATA SHEET

<b>Product</b>	<b>Bilge Cleaner</b>
<b>Type</b>	Water-based cleaning agent
<b>Intended Use</b>	When added to bilge water, <b>Bonda Bilge Cleaner</b> removes grease, scum and floating oil with normal boat movement.
<b>Special Features</b>	Biodegradeable. Highly concentrated. Gets rid of sickening smells. Diluted product may also be used to remove oil and grease from paintwork, fittings and traffic film from cars.
<b>Preparation</b>	Not applicable
<b>Application</b>	Pour <b>Bonda Bilge Cleaner</b> into any shallow accumulation of water between floorboards. Add most in the area around the pump well. Clear all limber holes. Leave <b>Bonda Bilge Cleaner</b> in the water whilst underway, then pump out in the usual manner. If the boat is motionless, add <b>Bonda Bilge Cleaner</b> and stir bilge water. Rub down bilges with a brush if bilge particularly dirty. For surfaces not touched by bilge water, add a little <b>Bonda Bilge Cleaner</b> to a bucket of water and apply by sponge, rag or cloth. For cleaning oil stains and grease from paintwork or traffic film from cars, add a little <b>Bonda Bilge Cleaner</b> to the cleaning water.
<b>Coats</b>	Not applicable
<b>Drying Time</b>	Not applicable
<b>Re-coating Time</b>	Not applicable
<b>Application Temp.</b>	Optimum temperature 15 – 25 degrees Centigrade.
<b>Coverage</b>	100 ml of product to 25 litres of sea or inland water is enough to treat a 30 ft. yacht.
<b>Maintenance</b>	Not applicable.
<b>Compatibility</b>	In its highly water-diluted form, (i.e., 1 part Bonda Bilge Cleaner: 250 parts water), may be used on car paintwork to remove oil, grease and traffic film.
<b>Settlement</b>	Shake well before use.
<b>Shelf-life/Storage</b>	Many years if stored unopened in a cool, dry place
<b>Hazards</b>	Danger. Contains (C9-11) alkyl alcohol ethoxylate. Causes serious eye damage. Keep out of reach of children. Wear protective gloves/protective clothing/eye protection/face protection. IF IN EYES: Rinse cautiously with water for several minute. Remove contact lenses if present and easy to do. Immediately call a POISON Centre/doctor. Dispose of content/container in accordance with local regulations. Ingredients (Regulations 648/2004 EC on detergents). Less than 5% cationic surfactants.30% or more – Non-Ionic Surfactants. Note: The use of <b>Bonda Bilge Cleaner</b> does not relieve the user of obligations under the River, Canal or Harbour Regulations.
<b>Clean-Up</b>	Wash with water.
<b>Sizes</b>	1L, 5L
