STAIN REMOVER

Introducing Garden Mate™, an extension of our House Mate™ intelligent cleaners. Specially formulated to be kind to surfaces and target specific cleaning tasks. Garden Mate™ Dead Ivy Stain Remover is a hard working cleaner specially designed to remove stubborn clinging ivy tracks and stains on brickwork from ivy that has been pulled away. The powerful formulation leaves walls clean and tidy, free from dirt and stain free.

*Restore and rejuvenate with Garden Mate™.*

**DIRECTIONS FOR USE:** 1. Remove the clinging ivy roots by hand, scraper or other means necessary. 2. Remove any ivy root residue with a wire or stiff-bristled brush. 3. Shake the bottle well. 4. Turn the spray on. 5. Spray onto surface to be cleaned. 6. Allow to dwell to soak into stained areas but not dry out. 7. Agitate heavily stained areas with a stiff-bristled brush. 8. Wash away with water. 9. Repeat for particularly stubborn areas of ivy stain residue. **Suitable for:** Brickwork, plastic, wood, shutters, window frames and other hard surfaces. **Test on an inconspicuous area first.**

**Contains:** Alcohols C9-11 Ethoxylated.

Causes serious eye damage. Toxic to aquatic life with long lasting effects. Avoid release to the environment. Wear protective clothing, eye protection, face protection. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. **Immediately call a POISON CENTRE.** Collect spillage. Dispose of contents and container to hazardous or special waste collection point, in accordance with local, regional, national and/or international regulation.

**Keep out of reach of children.**
