## Oven Cleaning Kit

A powerful oven cleaning gel perfect for removing stubborn stains and to keep your oven spick and span.

Suitable also on oven glass doors, food pans and other ceramics requiring the need to shift food residues.

- Suitable for both gas & electric ovens
- For removal of stubborn food stains & residues
- Ceramics, glass, stoneware

*Kit includes: 500ml oven cleaning gel, gloves and cleaning brush.*

## Just for Racks Cleaning Kit

This cleaning kit is all you need to clean your oven racks, BBQ racks and non-coated baking trays. The unique formulation cuts through grease and grime and burnt on food residues, leaving the racks gleaming like new. There is no need to scrub, simply pour over racks in the bag and rinse off. When used as directed it works first time and there is enough solution for two cleans.

- Suitable for oven racks
- BBQ racks
- Non-coated baking trays

*Kit includes: 500ml Just for Racks cleaning gel, two rack bags for two cleans, arm protectors, gloves and sponge.*

## Daily Oven Cleaner

A powerful cleaning spray designed to be used regularly between 'deep cleans' to keep your oven spick and span.

It is perfect for the quick removal of fat splatters and drips, which can be hard to remove with normal cleaners, but are not so 'burnt on' that they need the extreme shifting power of Oven Mate Gel.

Perfect for use on the oven door glass and also on food pans, to help shift stubborn food residues.

Size: 500ml

## Glass and Ceramic Hob Cleaner

Glass and ceramic hobs require a special cleaner due to its high density glazed surface which hold onto burnt foods and spills.

This cleaner is made with food odour neutralisers and fine molecules which tackle the dirt and grime on contact making it easier to gently scrub away.

It leaves a thin invisible layer which protects new spills from clinging to the hob, leaving a beautiful polished and like new surface with no scratches and making repeat cleaning easier to do.

Size: 300ml

## Microwave Steam Clean Wipes

These wipes have been designed to make light work of cleaning your microwave oven.

The unique formulation works with the power of the microwave to clean, deodorize and disinfect.

The antibacterial formula ensures no nasty bacteria are left in your microwave.

Size: 25 in a pack

## Gas Burner Oven Rack Cleaning Brush

The perfect brush for cleaning your oven and gas burners.

Ergonomic handle for easy grip makes scrubbing and cleaning lighter work.

Use with our Oven and House Mate cleaning products.

- Suitable for BBQ racks
- Oven racks
- Grill racks

## Grill Gremlin

The ultimate scourer for your oven, grill and barbecue racks.

The clever design allows for easy scrubbing and cleaning multiple bars at once, helping you save time and energy.

The anti-scratch, woven coating removes baked-on grime and the flat pad on the other side removes stubborn stains.

Pack of 2

## Griddle Gremlin

Specially designed for griddle pans, the ribs on these double-sided Griddle Gremlin sponges get right into all the little grooves for faster, easier cleaning.

The tough black side is great for removing burnt-on residue and the softer blue side is perfect for all-round cleaning. Both are non-scratch so you can scrub away without any worries about damaging your pans. Also suitable for panini grills.

Pack of 2.

## Complete Deep Clean Oven Kit

All you need to deep clean your oven! Works first time, cleans your oven from top to bottom. No scrubbing required - paint on and wipe off. Removes burnt on fat & oil, leaving ovens like new!

Also great for wire shelves, trays, grill pans and Pyrex.

- Suitable for both gas & electric ovens
- For removal of stubborn food stains & residues
- Ceramics, glass, stoneware

Kit includes: 500ml Oven Cleaning Gel, 500ml Just for Racks Gel, 2 x Grill Gremlin, 2 pairs of gloves, 2 x rack bags, 2 x arm protectors and 1 x brush.

## Mesh Filter Cleaner

The ideal product to replace and clean cooker hoods containing extractor fans with filters.

Over time, hood filters get clogged up with grease, dirt, fat and dust and these mesh filters helps make cleaning easier.

Clean filters means your cooker hood will work more effectively and it is recommended to clean them at least once every month.

Size: 500ml

## Teflon Oven Liner

Our Teflon (PTFE) coated oven liner is a superior quality liner which is non-stick and re-useable. It is extra thick and larger (500mm x 400mm) and stronger than any other brand and will therefore last longer. The Teflon oven liner does not crease or wrinkle and is dishwasher safe. Suitable also as a lining for baking sugar or chocolate coated treats or rolling pastry.

## BBQ Oven & Grill Cleaner

Oven Mate tough action BBQ cleaner cuts through grease, dirt and grime, easily removing tough baked on deposits without scrubbing and scraping. Use regularly after each time you cook to keep your BBQ clean and protected.

Ideal for cleaning gas or traditional BBQs, grills, trays, racks and also conventional ovens.

Size: 400ml

## BBQ Clean and Protect Kit

Our Oven Mate Clean & Protect Kit has everything you need to keep your BBQ clean, shiny, safe and protected throughout the season.

Kit includes:

- 2x BBQ Grill Mats keep your racks cleaner and will cook food more evenly.
- BBQ Oven & Grill Cleaner after every time you cook to keep it clean and regularly maintained. This can be used even on a warm BBQ.
- Grill Gremlin sponges are the power of all scourers and are shaped for the BBQ racks. They can be used anytime before or after cooking.
- BBQ Annual Deep Cleaner is for use at the end of each year for both the BBQ and the racks. There is enough solution for two seasons.
- Also included are two rack bags, two pairs of protective gloves and two pairs of arm protectors to use for your two annual deep cleans plus a brush & steel scraper for those stubborn areas of build up.

## BBQ Grill Mats

Our BBQ Grill Mats keep your grill rack clean, will cook food more evenly and prevent the food from burning.

The mats prevent the grease and food falling through the grates and leave perfect grill marks when cooking.

Re-usable and dishwasher safe.

Size: 330mm x 400m - 2 grill mats in a box

# House Mate

## Liquid Gold

'The original and the best' - is a wood reviver, suitable for use on all natural finished woods. Liquid Gold acts like a moisturiser for wood, bringing out the beauty of the natural grain, giving wood a beautiful lustre. Liquid Gold will reduce the appearance of light scuffs and scratches, and it protects against warping, cracking and fading.

Size: 250ml

## Foaming Mirror & Glass Cleaner

The foaming glass cleaner is easy to use with its brilliant foam texture and grip, there's no more dripping solution running down the window panes. Simply wipe away - polishes and cleans to a non-streaky, smear-free finish.

Size: 400ml

## Stainless Steel Cleaner & Polisher

A powerful cleaner which lifts dirt and grime, leaving behind a brilliant, smear-free shine. An invisible, protective layer resists fingermarks, and helps prevent dirt adhering, making the polished surface easier to clean next time. Suitable for all your stainless steel appliances, including hobs, oven doors, extractors and any stainless steel.

Size: 400ml

## Shower Head Descaler Kit

The perfect way to clean and descale your showerheads! Our specially formulated, thick gel works in seconds, achieving a deep clean with minimal scrubbing, even on stubborn areas.

Simply place your showerhead in one of the bags provided and add the gel.

Cleans approx 4 shower heads with one bottle.

Also ideal for kettles, coffee machines and steam irons.

*Kit includes: 500ml cleaning gel, gloves, two bags and cleaning brush.*

## Sink & Drain Unblocker

Our Sink & Drain Unblocker Kit contains two pairs of disposable gloves and 500ml of concentrated thick gel formula that reacts with the water to easily cut through hair, soap scum, grease, fat and food build-ups easily. Perfect for sinks, drains and safe to use on plastic pipes.

Size: 500ml

## Kitchen & Bathroom Descaler

This multi-use fast acting proven formulation removes hard water stains and scale build up from most kitchen and bathroom surfaces. The kit contains 500ml of the solution that has a directional nozzle for easy application and two pairs of gloves.

Size: 500ml
