

Lord Sheraton®

Based on traditional recipes and using the finest natural ingredients, Lord Sheraton products nourish and protect your wood & leather surfaces, from special pieces of furniture to everyday items.

Lord Sheraton Leather Shine aerosol is ideal for weekly use as part of your usual cleaning routine. Its light blend of oils and cleansers gently cleans and nourishes, removing dust finger marks and grime. Dull leather is restored with long lasting shine and protection. Suitable for all leather items, including furniture and luggage.

Size: 300ml

Lord Sheraton Caretaker Furniture Polish aerosol is perfect for weekly use as part of your usual cleaning routine. A light blend of pure beeswax with natural rosemary, clove, lavender and eucalyptus oils; its silicone-free formulation makes it suitable for nourishing and protecting all wood furniture, including fine and antique pieces.

Size: 300ml

New Improved Formula Lord Sheraton Leather Balsam is the ideal way to care for your leather furniture. Traditionally formulated from pure beeswax and blended oils, it will intensively nourish your leather, giving lasting shine and protection.

Size: 125ml

New Improved Lord Sheraton Caretaker Wood Balsam is the ideal way to care for your wood furniture. Based on a traditional formulation, it will intensively nourish and clean your wood furniture, giving lasting shine and protection. A blend of pure beeswax, pine turpentine and linseed oil. It contains no water or synthetic waxes.

Size: 125ml

Lord Sheraton Leather Clean & Shine Eco Wipes are 100% Biodegradable, plastic free that are ideal for everyday cleaning. Easy-to-use, they will keep your leather furniture in perfect condition in between more intensive cleaning.

Leather Clean & Shine Wipes contain beeswax which gives long lasting protection, and aloe vera, to nourish and condition your furniture.
